WHAT CHANGED OVERNIGHT

SHIPPED

/rlsdox skill

Rory added the studio standard document skill. Every RedLantern doc now renders through the brand template as HTML plus PDF. Plain markdown is a draft only.

SHIPPED

Codex cost setup

A setup doc written for Keymon: OPS/KEYMON_CODEX_COST_SETUP_20260708.md. Bridge next action asks KP to mirror it and write a verification receipt.

SHIPPED

Model upgrade policy

ADR logged in OPS/DECISION_LOG.md. Two heartbeat ingests carried all of it into the bridge with receipts.
